

HUMAN TRAFFICKING Symposium

Join us at the Human Trafficking Symposium with Paradigm Shift to discuss new strategies and perspectives in combating human trafficking.

Thursday, Feb 13, 2025
8am-5pm

Cedars Wellness Center
1021 Cedars Dr.
McPherson, KS 67460

Paradigm Shift

The morning will be focused on data, education, knowledge sharing, & testimonials

The afternoon will dive deeper into assisting first responders and healthcare workers on how to identify and support this patient population (Continuing education hours available for the afternoon portion)

This training is encouraged for healthcare professionals, first responders, educators, & community members

REGISTER HERE!

This nursing continuing professional development activity was approved by the Midwest Multistate Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
